HISTORY OF THE ANDREW MAZZA FOUNDATION

The Andrew Mazza Foundation started in 2016, after the sudden loss of Andrew at the age of 23. Andrew was a passenger in a car that had flipped over and became mostly submerged in a creek in Gibson, Pa. When the second passenger was unable to exit the car, Andrew stayed held her up so she could reach the air pocket. Thankfully, she lived and unfortunately, Andrew did not. Andrew's character and courage saved her life. To honor Andrew, we created the Diesel Jam Truck Show in his name. This event now supports scholarships to local high school students who are entering a trade program, students already in trade schools, and recent graduates entering the workforce. The Andrew Mazza Foundation also supports local communities through charitable donations and through our annual Truck or Treat Halloween event in Clifford Twp.
