ABOUT US

The Andrew Mazza Foundation established in 2016, honors Andrew Mazza, a small-town hero who loved the Diesel Industry. Diesel Jam made its debut in 2018 as a celebration of the diesel community including all aspects of the industry and has since grown to be a resource for education, employment, recruitment, and sales opportunities. Proceeds from Diesel Jam will help support our future trade techs, innovators, and leaders through scholarship initiative 'Trucks for Trades' and enrich the community that Andrew called home.

TRUCKS FOR TRADES

Our Trucks for Trades program, officially started in 2022.

We are currently offering 30 scholarships exclusively to trade students throughout NEPA. Our scholarships can be found in local area High Schools, CTC Programs, and Technical Colleges. This has been achieved through the generosity of local industry businesses, who like us, recognize the importance and critical need for skilled workers in our world today.

2025 HIGHLIGHTS

This year's Diesel Jam welcomes back Ken's Mobile Dyno with Cash Prizes, Barna's Heavy Equipment Rodeo brought to you by the IUOE Local 542, Brennan's Playground courtesy of Powells by Brennan, Independence Log Loading Competition put on by Independence Timber, and our Diesel Jam Truck Show Awards to include our 2 new categories - Best Dump Truck and The ACA - Andrew's Choice Award! Join us for raffles, food trucks, vendors, and light show at Dusk!
